+ SELECTIVELY SCIENTIFIC

Delivering powerful encapsulated peptides, **Expürtise's Effective Anti-Aging Face Serum** promotes optimal tissue architecture. This gluten-free formula protects skin cell telomeres with certified organic astragalus extract, prolonging cell life by preventing DNA degradation. Normal aging is further slowed with Swiss Apple Stem Cells, which have been shown to stimulate the proliferation of human stem cells.

This serum delivers powerful anti-aging that directly stimulates and reorganizes skin's collagen matrix.
